ABOUT US

Trendz is one of the leading buying agents in Bangladesh helping foreign buyers. We provide services to the foreign buyers concerned with identifying the products in the Bangladeshi market, negotiating prices and proper sourcing of products. We assure the highest degree of professionalism and provide wide variety of services to the foreign buyers. Our presence in the international market keeps us well-informed of customer tastes and changing market scenarios. We believe strongly in our customers' satisfaction and we take every step to safeguard the interests of foreign buyers. Making use of our services the foreign buyers need not to open their offices in Bangladesh. We strive to serve our valued buyers by working with the best manufacturers of the industry who are able to offer the best prices in the market.

We are working as an Apparel Buying Agent & providing apparel buying services to our European/American clients. We will be your sole contact to work on behalf of you and to take care of all your requirements from sourcing to shipping as well as fiber to fashion. We offer fast and reliable delivery,

excellent Quality Control and flexible manufacturing and production options. We have a unique methodology of paper work that is immaculately followed and managed by our team. Our team consists of highly professional; the most skilled personnel hired from top most garment companies of the country. Our team consists of management, merchandisers, quality control, schedulers, and commercial personnel. We also have a marketing office in Canada to have continuous connection with North American Buyers.
